

**12th Annual
YMCA Earth Service Award – \$1,000 Scholarship Application**

Eligibility:

All students in grades 9 – 12 residing or attending school in Warren, Washington or Saratoga Counties are eligible to apply. In order to be nominated for this award, the student should complete the first two pages of the application, and have the reference form(s) completed and returned separately.

Selection Criteria:

Students will be honored based on the following:

- Contribution to the improvement of natural resources and the environment, and the extent to which the applicant has learned from the experience.
- Leadership demonstrated in the planning and execution of an environmentally themed project, program, or service in the community.
- The extent to which the applicant has encouraged others to understand, appreciate, and practice sound conservation and environmental stewardship.

Examples of projects and programs:

Activities such as the implementation of a recycling program in your school or community; cleaning roadsides, streams, or lakes; maintaining trails; planting trees; gardening as a community; improving air quality; delivering environmental conservation programs; increasing public awareness through letter writing or artwork; contributing to newsletters or newspapers; or participating in an environmental internship. Many other projects, programs, or services that meet the selection criteria may be appropriate as well.
